

Wawanesa's Sustainability Strategy

Kim Palatnick
VP, Strategy & Sustainability
October 2022

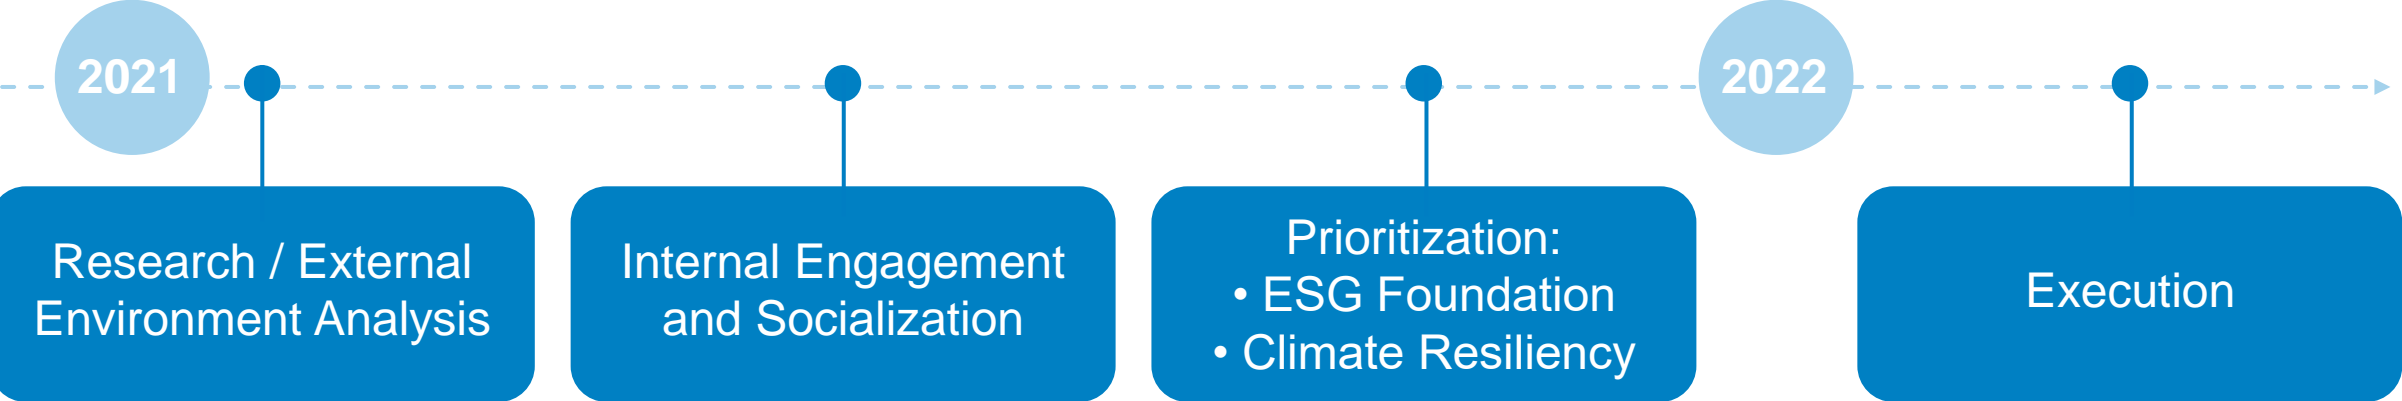

As a mutual company, **we exist for the benefit of our members.**

In 2021, we launched:
Leading with Mutuality

Our Corporate Strategy is focused on creating value for our members and communities through **Member Centricity** and **Sustainability.**

Our Sustainability Journey

Guiding Principles • Member centric • Data based • Collaborative • Transparent • Progress over perfection

Our Priorities

As a mutual insurer, we exist for the benefit of our members, working to build a more sustainable future for our members and communities.

Our sustainability strategy is focused on:

Sustainable Insurance Solutions

Sustainable Investing

Sustainable Operations

Stakeholder Engagement

Transparency & Disclosure

Building **Climate Resiliency** through an integrated approach, aligning Wawanesa's Enterprise Member Centricity, Sustainability & Community strategies

Bringing it all together:

- Strengthening Climate Resiliency
- Advancing Environmental Stewardship
- Building Diversity, Equity & Inclusion

Wawanesa's Sustainability
ESG Mandate in Support of the

SUSTAINABLE DEVELOPMENT GOALS

Sustainability
